

Utopian Studies Society

The Utopian Studies Society (Europe) has some very limited funds available to assist with the expenses of attending the Society's annual conference. In accordance with a decision taken at the Society's Annual General Meeting in 2003, the Committee has allocated a sum of money to be disbursed to appropriate applicants, with the following conditions.

1. The **maximum** grant available to any one individual will be 130 Euros
2. The grant money will be paid **retrospectively**, after the Paper has actually been presented at the Conference. [Normally, we arrange to pay the grant in cash during the conference].
3. In the event of the available funds being over-subscribed, preference will be given to Post-Graduates.
4. Grants will be awarded only once to any individual; **previously successful applicants may not re-apply.**
5. The decision of the Chair and Treasurer of the Committee will be final.

Please fill in the application form, and return it as soon as possible, but no later than 31 May 2016, to USS Secretary, Lorna Davidson. You can send a scanned application form by e-mail to
